

BRABBU's Most Wanted Designs at BDNY and Equip'Hotel

BRABBU keep on its mission of spreading an intense way of living worldwide. In that endeavor, this time BRABBU will be exhibiting at BDNY in New York and at Equip'Hotel in Paris.

It's not the first time the brand will be exhibiting at BDNY but it will be its début at Equip'Hotel. Being events focused on hospitality design the stakeholders that visit them search for brands with unique pieces for hotels, restaurants and spas projects as well as for other commercial spaces. As a result, BRABBU will be exhibiting some of its most wanted design pieces showing that the rawness of nature can be brought to the interiors of commercial spaces in a beautiful and elegant way.

At BDNY BRABBU will be participating in partnership with Boca do Lobo, Koket and DelightFULL, exhibiting at 3D & 3E booth 1163, 1165 between the 9-10 November. Regarding Equip'Hotel the brand will be in partnership with DelightFULL and can be found between the 16th to the 20th November at Hall 3 Stand D011.
